

CUTICLE ERASER™

GENTLE EXFOLIATOR

WHAT IT IS

An alpha-hydroxy cuticle treatment.

WHAT IT DOES

Conditioning blend of alpha-hydroxy acids (A.H.A.s) micro-exfoliates cuticles and moisturizes nail plate and surrounding skin.

WHY YOU NEED IT

- Helps prevent cuticle build-up.
- Conditions skin and prevents hangnails.

FEATURED INGREDIENTS & BENEFITS

Sugar Cane Extract (Saccharum Officinarum), Lactic Acid, Malic Acid:

Derived from sugar cane, this natural mixture of alpha-hydroxy acids (A.H.A.s) is an effective chemical exfoliant blend.

Glycolic Acid, Citric Acid:

Both are naturally occurring alpha-hydroxy acids (A.H.A.s). Glycolic acid is a very aggressive acid with little ability to penetrate the skin barrier; works primarily on the surface of the skin. Citric acid is used as a physical exfoliant.

Vitamin E (Tocopheryl Acetate), Pro Vitamin B5 (Panthenol):

Used for their highly effective moisturizing and softening characteristics. Also known to improve skin elasticity. Contain antioxidants.

Apricot Kernel Oil (Prunus Armeniaca):

Skin conditioner.

Glycerin:

Used for its powerful hydrating attributes. Absorbs quickly into skin and acts like a powerful moisture magnet.

Matricaria Flower Extract (Chamomilla Recutita):

Effective in soothing skin.

Aloe Barbadensis Leaf Juice:

Known for its ability to hydrate and soften skin. Helps provide moisture.

DIRECTIONS FOR USE

Massage a small amount into the nail plate and surrounding skin.

CND offers comprehensive education opportunities. Check the education section of cnd.com for a course near you.

CREATIVE SUGGESTIONS

- Excellent retail opportunity; apply daily to gently exfoliate cuticles and condition nail plate.
- Follow with **SOLAROIL™** Nail & Cuticle Care for a hydrating cuticle cocktail.

INGREDIENT LISTING

Aqua (Water) (Eau), Prunus Amygdalus Dulcis (Sweet Almond) Oil, PPG-2 Myristyl Ether Propionate, Cetearyl Alcohol, Parfum (Fragrance), Sorbitan Oleate, Glycerin, Tocopheryl Acetate, Chamomilla Recutita (Matricaria) Flower Extract, Saccharum Officinarum (Sugar Cane) Extract, Aloe Barbadensis Leaf Juice, Glycolic Acid, Citric Acid, Malic Acid, Lactic Acid, Allantoin, Panthenol, Polysorbate 60, Cetyl Alcohol, Glyceryl Stearate SE, Cetearth-20, Propylene Glycol, Xanthan Gum, Sodium Hydroxide, Potassium Sorbate.

AVAILABLE SIZES

- Retail/Professional: 15 mL (.5 fl oz)
- Professional: 50 mL (1.75 fl oz)
